- Prototyping.
- Research and Analysis.
- Material Knowledge -wood, metal, Clay & various other materials.

Achievements

- **(ICCDSDAD_2023)** . Selection in International Conference on Cultural Diversity for Sustainable Development in Arts & Design .

Personal Profile

My work bridges artistic expression, philosophical depth, and spiritual devotion—transforming inspiration into meaningful, functional, and aesthetically refined designs. I am a keen observer and multidisciplinary designer driven by compassion and curiosity. Passionate about material exploration and prototyping, I strive to create work that not only serves its purpose but also resonates on a deeper, experiential level.

Experience

- **Kunjal Welfare Society NGO | (Mar to Jul 2021)**
- **Volunteer**
Assisted in rural development and social welfare initiatives, supporting education, hygiene, and awareness programs in under-resourced areas.
- **Arushi NGO | (May to Nov 2023)**
- **Spatial & Product Design Intern**
Designed Montessori space, furniture, and toys for disabled children that are accessible and inclusive. Emphasised on the importance of user-centred design, aligning functionality with developmental requirements and accessibility standards.
- **R One Design Studio | (May to July 2023)**
- **Assistant Designer**
Contributed to interior and product design projects across various sites, assisted with prototyping, branding, social media management, and website development.
- **Design Aspirants | (2023)**
- **Junior Faculty**
Teaching human figures, conceptual sketching, perspective & drawing, Guiding students in developing strong creative and visual communication skills.
